Hi Bev,

This issue was on CBC TV tonight ( you may already be aware). As well, George T met with the Minister today to provide an update.

We need to update the BN tomorrow so it is ready for the House for Monday. Can you please check with Tansy on the key messages. Tansy was at the meeting with Eastern and may have some suggested changes.

If you did not see the news, I can tell you what the headline is.

Thanks,  
Moira
