Hi everyone,

It is that time of year again. The House will open sometime in mid November. Since Minister is away from Nov 10 to 18, the notes have to be ready for his review while he is gone. In order to meet this timeline, I would appreciate it if you could prepare same by Tuesday, Nov 7.

Tansy will forward the list of notes required some time this week. As a minimum, the following notes will be required:

- ER/PR Testing in SJ

As far as I know, the format is the same as the Spring 2006 session. I will let you know if there are any changes.

I will provide an updated list of notes required when it is available from Tansy.

Thanks for your usual cooperation in getting the notes done within the set timelines. As the notes are done, I would appreciate receiving them to avoid a significant investment of time on the 7th and shortly thereafter.

Thanks,
Moira

Connie, Debbie and Barb,
I need your help in ensuring the preparation of the notes goes as smoothly as possible and within the timelines set.

To start this process, I would appreciate it if you could set up the initial notes, incl title and list of anticipated questions as per Tansy's e-mail today (Tuesday) as follows:

Connie/Debbie

[REDACTED]

-ER/PR Testing, St. John's

[REDACTED]

Barb

[REDACTED]

This approach will assist me in reviewing the notes as they are prepared.
When this is done, can you please advise staff working in Confederation Building re: the directory where the notes are located. Can you please send the formatted notes on Healthline to Joy and the two notes on wait times to Janice.

If there are any questions/ concerns, please let me know.

Thanks,
Moira

John and Bev,

The HOA notes have to be finished by Monday afternoon. I have not seen the note on ER/PR Testing in SJ and another note is required on the acute care bed pressures in SJ (I mentioned this to Bev on Friday). Minister is also looking for a note on the recent work done by the PRC on updating the bed numbers for Clarenville LTC.

John,

All this works falls with Bev and is due on Monday. She has a meeting at noon. Can you please provide some assistance, maybe ask one of the others to do the note on Clarenville LTC.

Thanks,
Moira
