Hi Patricia,  
As discussed the best time period for the immunohistochemical review would be from September 20-25,2005. You can contact Mr Barry Dyer divisional manager for anatomical pathology at 709-777-6514 ,his Email address is Barry.Dyer @hccsj.nl.ca for the information you seek. My phone number is 709-777-5482  
Regards,
