Don, Nash, Terry, Barry, Heather,

Further to me e-mail below with respect to Trish Wegrynowski, Terry, I wonder if you would follow up with her directly as she would like to have some information to updated her on our progress prior to her arrival. I advised her that we have a spreadsheet of issues we are working on in an updated format.

Terry, once you talk to her, that may be sufficient to help her prepare for her visit.

Thanks,  
bob

Don, Terry, Barry, Heather,

I want to advise you that Trish Wegrynowski will be coming to visit us again to review our program.

She will be arriving late on the evening of March 29, 2006, and staying until March 31, 2006.

I will follow up with each of you on this issue later this week.

Bob
