Hi Dr. Williams,

Can we give her our spreadsheet, so she will know in advance what has been accomplished.

Nash, Terry, Barry,

Do we have anything to send to Trish?

Thanks,

Dr. Williams,

I will be arriving the evening of the 29th and departing the afternoon of the 31st and am staying at the Delta Hotel.

If there are any protocols or paper work that you would like me to review prior to my arrival they can be faxed to 416-586-8628, I do ask however, that you let me know prior to sending them as this is a common fax machine for the area.

I look forward to reviewing your Laboratory again, and by the way how much snow do you actually have?
