Mtg = Dr. Neil re ER/PR

- [REDACTED]:
- (a) did have Sx in Corner Brooks on 11 Feb 97
 - (b) no residual tumor
 - (c) onus on oncologist to request
 - (d) should call Kara Laing to discuss
 - (e) [REDACTED] & [REDACTED] were MRPs

- [REDACTED]:
- (a) had (C) mastectomy by [REDACTED] Jan 97
 - (b) microscopic focus of residual Ca
 - (c) not enough to determine ER/PR
 - (d) oncologist should have asked for F/U
 - (e) need to DIW Kara Laing

24 Apr 08 DIW Paul Neil, Donna Wicks, Lisa Hodnett

- [REDACTED]:
- (a) lumpectomy in '97, no ER/PR done. That was the blood that Paul submitted to Mount Sinai that was 95/70
 - (b) mastectomy done in 2000 → looks like ER/PR positive highly → started on tamoxifen then
 - (c) so, should she be informed of this, as she had no adjuvant Rx in the years 97-2000.
 - (d) Paul says he has sent report to Dr. [REDACTED]
