- Paul says he can send this to Ash Dene (How Weather)

- concern re looking @ all DCIS patients
- supposed to be validated by health authority
- got a table from Donna Hides to indicate that Paul Neil had done a review
- Paul says they were not advised that we had to validate DCIS cases
- Pat wonders why can't the Boards validate the DCIS cases. She spoke to Paul about this
- Paul says he just reviewed the cases, not validate them. Pat says if Eastern is to do validation, they will have to have a consult and be sent blocks
