

Robert Williams telethon call

Oct 7/05

210 tests sent out so far + returned

41 conversions

- Letter from Dr Williams to GP's

Letter from Mr Gardiner to surgeons

HIROC - didn't want to discuss to patients
until we have test results back.

This caused unnecessary worry in Bohradar
last yr when nts contacted before
results available

- will try to arrange teleconference
with CEO's / HIROC to discuss.

Drugs used for Rx

Femara (Letrozole)

Lupron (Leuprolide)

Suprefact (Buserelin acetate)

Zoladex (Goserelin)
