Dear Ms. Wegrynowski:

I want to thank you very much for coming to our Province and doing a review of the Immunohistochemistry Laboratory operated by Eastern Health.

I want to thank you for the very detailed and comprehensive report that you have provided to us. You can be assured that your recommendations will be used as a template as we move forward to improve the Immunohistochemistry services that we offer. We intend to achieve the degree of competency that you have laid out in the recommendations.

Again, thank you very much for your assistance on this matter. I'm sure Mr. Gulliver or Dr. Cook may wish to contact you further to get ongoing advice as we move forward in implementing the recommendations in your report.

Yours sincerely,
