Dr Don Cook
Clinical Chief
Laboratory Medicine
Eastern Health
St John's

Dear Dr Cook:

Please accept this as official notice of my resignation. As you know, over the last eight months, I have had many differences of opinion with the team regarding the processes, work assignments, and goals for the successful institution of an ER/PR/ Her2neu immunohistochemical laboratory at Eastern Health. It is clear to me that we will not be able to resolve our differences. I cannot, as a fellowship trained breast pathologist agree with the direction in which this process is proceeding. Therefore, I feel that resigning is the best option for me and for the team.

My last day at eastern Health will be Wednesday, February 23, 2006. Please remove my name from the call schedule so that I may complete already assigned work. I would be happy to meet with you at your convenience to discuss the transition of my duties to my successor.

Sincerely,

Beverley Carter
Anatomic Pathologist

Please note - I have
been informed that
I have to give 3
months notice therefore
leaving date is May 3rd
