Joyce,

Yes, Dr. Howell said 8:30 – 9:30 ok, it will be Dr. Nash Denic and the team presenting (Dr. Denic said there are other pathologists and Dr. Kara Laing who will be presenting certain portions of it).

Thanks,
Denise

Thanks.....

Looks like the presentation will go ahead on the 21st. to Executive.. 8:30 am. -9:30....please check to see if 1 hour is sufficient as there will be another presentation happening that morning.

Please note the time referenced on the agenda I sent out earlier will change as a result of this additional presentation.

11/7/2006

Please confirm back with me who will be presenting...i.e. Dr. Denic, Heather Predham and ??? and if there will be documents to circulate prior to the meeting. I will book the LCD for the meeting.

Once we get the logistics worked out, I will confirm with the presenters that they are on the Executive agenda.

Thanks
Joyce

Joyce,

Dr. Howell said Mr. Tilley doesn't have to attend presentation on Nov 20 since he will be hearing it on Nov 21 (he is, of course, welcome to do so if he wishes).

Also, he doesn't expect him to attend the presentation to the press on Nov 30.

Denise
