HI,

Do you want me to coordinate the conference call?

I'm double checking the list at this moment to get it over to the lab. I've been a bit delayed with the other issues going on. One thing I did discover was that someone called last December about retesting their family member, it was not a name on our lists and the block and report had to be obtained from Western as it had not been sent in for the review.

I'm not sure if this was someone who was overlooked or did the regions not send in their known deceased? Terry, Nash, Don do you know?

Heather

Heather,

I suggest a conference call or meeting with Nash, Don, Terry and Kara to consistently answer the questions. This must be a priority for all to meet the 10 day deadline.

On another note have we sent the deceased specimens to Mount Sinai yet for retesting?

Oscar

Hi,

As you can see when you read the attachment, I'm going to need some assistance in answering these interrogatories. There is a 10 day time frame to respond.

How would you suggest we proceed?

Heather
