Last  
Deceased

Pam. Elliott@EasternHealth.ca

Overall

- determine what pts <sup>date</sup> ~~have not~~ results are
- R/PR - ~~not~~ retained
- contact COO Caribou/Clareville re-plan to handle pts
- transfer to St. Anthony.
- Confirmed Negative
- calls finished for St. John's
- follow-up with the "unable to reach"
- document attempts etc.
- write to Dr. Mailure re: St. Pierre patients
- ✗ letter to those in long-term care/nursing home.

clean up  
overall  
documentation

Panelled

deal with  
the  
numerous  
results

- call the physicians to confirm communication (already panelled)
- follow-up on those on panel list that don't require panelling
- follow-up on other identified issues.

DCIS

- ~~letter to phase~~
- assist the lab when slide review is done.

Other Regions

confirm that  
regions are  
complete

- ~~contact~~ get list of cancer clinic patients from Cancer Clinic
- send to L. Allen / K. Jenkins.
- (? COO's)

- determine what clinical information is required to panel non-CC patients.
- coordinate paneling of these pts
