Dianne/Heather, Can you get a copy of the “notified by physician group” for each Board...separate reports for each board....for all living patients . Get them on the computer. Ask Lisa/Donna from western to get on a conference call with us...an urgent one tomorrow to review every patient on their list and get the information we need... once and for all. Send them the list we will be using. Please do the same thing with Sherry Freake. Please ask them to try and meet my request for an urgent meeting on this...even if it is after hours. Pat
