Subject: more things

- [REDACTED]. She was retested and has an RS# [REDACTED]. These results are not in Meditech. Actually, I can't find any ER/PR results in Meditech. there is reference to them being done in 1997 but I can't find the results. According to the Mount Sinai spreadsheet she came back as DCIS
Answer: Case reviewed by Drs Cook/Carter and appears to be microinvasive ductal carcinoma, and ER/PR is not to be performed. Please check this with Dr. Laing.
- [REDACTED] (RS# [REDACTED]). Meditech has her retesting results as ER 30 and PR 1-2, while the Mount Sinai results are ER 20, PR 30.
Answer: I have a copy of the Mt. Sinai report and it is a correct information : ER 30 and Pr 1-2%
- [REDACTED] RS# [REDACTED] Her retesting results are in entered status in Meditech and can't be seen, can you check on this?
Answer: She is DCIS , no need for ER/PR
- [REDACTED] (RS# [REDACTED]) Her retesting results in Meditech are ER 2 and PR 1; but are ER 5 and ER <1 on the Mount Sinai spreadsheet
Answer: I have a copy of the Mt. Sinai report and it is a correct information : ER 2 and Pr 1%
- [REDACTED] (RS# [REDACTED]) her results are in entered status as well, and can't be seen.
Answer: She is DCIS , no need for ER/PR
