Hi,

Please find attached a list of St. Pierre residents and their status regarding ER/PR retesting.

Sharon, you can also refer Dr. Bondonneau to the February 8, 2006 correspondence you translated for us that went to Dr. Pascal Malluret

There are more patients on Dr. Bondonneau's list than we had in our database. I went through each one's pathology and outlined why they were not included. Of course, if he needs more information, don't hesitate to contact me. Also, if it's not clear, call me

Thanks

Heather
