Hi Dianne,

We received Pat's letter dated Aug 11, 2008 re the self-identifiers (8 patients).  
Thank you!

I spoke with Heather yesterday re two of these patients who are from Western ( [REDACTED] and [REDACTED] and believe that she will follow up on them with Western to obtain more information. We also received the pathology reports for three patients ([REDACTED], [REDACTED], and [REDACTED]) from Central you sent Friday. We have information on [REDACTED], but would appreciate it if you could provide us with information on the other two patients ([REDACTED] and [REDACTED]).

Thanks,  
Reza
