Hi Ken,

In regards to billing, your suggestion is good, you can bill for active consultation and bill me directly for the services employed in the review of the negative ER's.

I am hoping to send our reviews for the years 2003 and 2002 as soon as we can compile these cases, hopefully by the end of next week. We will submit the other years following these. I will contact Maria when we are ready to send these cases to your lab.

Once again, thanks for all your help,  
 Don,
