**Importance:** High

Good morning,

Further to your conversation earlier this week with Patricia Pilgrim, in which she indicated she would have listing of involved deceased patient results for your respective region\area forwarded to you, this is to advise Don McDonald with the Newfoundland and Labrador Centre for Health Information requires a direct request from you for these listings.

Please forward to Don an E-mail requesting the listing of involved deceased patient results for your respective region\area. Don's E-mail address is [donm@nlchi.nl.ca](mailto:donm@nlchi.nl.ca)

Upon receipt of your request, Don will forward the listing directly to you.

Thank-you!

Dianne

PS – Sherry, Don has received your request.
