Hi Debbie,

There are two additional self-identifiers from Central that are not listed with the 8. Please let me know if you have further questions.

Thanks,
Reza

Reza:

The patients from Central...are they part of the 8 self-identifiers or is this issue a separate one?

Debbie

Hi Dianne,

We received Pat's letter dated Aug 11, 2008 re the self-identifiers (8 patients). Thank you!

I spoke with Heather yesterday re two of these patients who are from Western (■■■ and ■■■) and believe that she will follow up on them with Western to obtain more information. We also received the pathology reports for three patients (■■■, ■■■, and ■■■) from Central you sent Friday. We have information on ■■■ but would appreciate it if you could provide us with information on the other two patients (■■■ and ■■■).

Thanks,
Reza
