Would you ask the Minister if and when he would like a briefing from George Tilley and Bob Williams. I am suggesting that there be a briefing by them before the House opens.

Good Morning John:

I am following up on behalf of George Tilley regarding the proposed date to brief the Minister on the ER/PR issues prior to the opening of the House (Nov 21st.)

It was been suggested that a meeting on Friday 18 November 2005 would provide more current up-to-date information. Dr. Williams and George Tilley are both available at 3:00 p.m. on Friday. I look forward to hearing from you regarding the Minister's availability.

Thanks

Joyce

John,

Bob Williams will be doing a locum on that day. so it would be great if we could do it early in the morning. Otherwise we will need to find a firm time when he can block out.

Are you available to brief the Minister on Nov. 14th (in preparation of the re-opening of the House of Assembly), say late morning? We may also be holding a separate workshop on wait times that day for you and your colleagues in light of the F/P/T Ministers of Health agreement on wait times.
