**RE: Surgical specimens For ER/PR Recall Testing**

Dear Gary:

Our Histo-Tech's, Cytotech and Steno's worked overtime to retrieve surgical specimens for ER/PR recall testing from May 1997 to August 9, 2005, which included Paraffin Blocks from the tumour, original ER and PR slides, including any controls, as well as the H & E slides from each case. These cases were then forwarded to Mr. Barry Dyer, Division Manager, Anatomical Pathology, HealthCare Corporation, St. John's NL.

The total cost of this project including Overtime, Shift Premium and Weekend Shift Differential, Meals, and transportation of Specimens from September 27, 2005 to October 27, 2005 is **\$ 13,840.49**

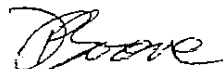

I would appreciate if you could invoice this charge to Terry Gulliver, Program Director Laboratory Medicine, HealthCare Corporation, St. John's NL. *Health Science*

Also when payment is received could you please credit the following accounts:

- **\$2600.00** to GL # [REDACTED]
- **\$11,240.49** to GL # [REDACTED]

If you require any other information, you can contact me at Ext. 5494 or e-mail [dboone@healthwest.nf.ca](mailto:dboone@healthwest.nf.ca).

Yours Sincerely;

Dennis Boone  
Assistant Director Laboratory Services
