**Subject:** RE: New Email address

Thanks Dr. Cook. I will update the Executive list. With respect to the immunoperoxidase meeting, Dr. Torlakovic will be sending me some material to circulate to the members of the committee. FYI... Copy of her email to Dr. Butany regarding next steps.

Daniele

Dear Dr. Butany,  
>After the first, somewhat preliminary meeting of the NSC/IHC, I think  
>that few steps could be made even before the official next meeting of  
>the committee. Also, let me know if there is a plan to set up  
>teleconference for all participants some time in near future. Please  
>consider my plan for the following month. If possible, such  
>teleconference would be better to have after the members receive  
>material that I plan to send them. I am looking forward to hear your  
>comments and suggestions on this matter.  
>  
>This is what I plan to do in next couple weeks:  
>1. I will send to all members the FDA classification of IHC tests for  
>their consideration and ask them to send their comments in writing in  
>me.  
>2. I will contact Dr. Hanna (who I missed at the meeting because I got  
>the flu with very high fever and chills the same day and had to stay in  
>bed several hours) and start cIQc RUN2 with breast Ca markers.  
>3. I will request all members for their current suggestions regarding  
>recommendations/guidelines and the extent of regulation that breast ca  
>markers should be considered for in addition to those that are  
>currently spelled out for HER2/neu.  
>4. These opinions, together with results of RUN2, will need to be  
>discussed not only by this committee, but also by other directly  
>interested parties, the complete list of which I will depend on your  
>opinion and recommendations.  
>  
>Daniele,  
>I will send you some material that i would like to distribute to all  
>members of the committee. I will do this some time next week and will  
>need your help with this matter.  
>  
>Sincerely yours,  
>Emina Emilia Torlakovic  
>

Hi Daniele

6/25/2007

My new email address is [donald.cook@easternhealth.ca](mailto:donald.cook@easternhealth.ca).  
Can you update me on the status of the immunoperoxidase meeting.  
Regards,  
Dr.Cook
