Re: [REDACTED] MCP ending in [REDACTED] I just talked to Dr. Bev Carter and she indicated they are signing her path report out as DCIS. I am not sure that Dr. Neal knows this yet, but he will shortly, so once he gets confirmation of this, can you e-mail me and we will disclose...need to do this today. In her case, I need you to get me some contact information.....I think someone said she now resided in a nursing home so I need to know if we talk directly to her, or NOK? In regards to [REDACTED] she is confirmed DCIS and we have verification that she was originally DCIS. Sharon Smith was having one more attempt to locate her this morning. If not able to get her...we have already made several attempts, we will now send a letter to her family physician. So, the only one we are left with from your area is [REDACTED] and we have to leave this with you and Dr. Neal and Jenkins. I understand that Dr. J or Paul Neal were trying to arrange a conversation with Kara Laing on her. Pat
