Subject: er and pr re-testing

Hello Peter, Sorry I won't see you folks this weekend but I will be off to [REDACTED] on Saturday!
I have had contact with a lady here in [REDACTED] who has re-tested positive and also has had 2 reoccurrences. She is possibly interested in taking legal action. Do you know if there is a particular lawyer or firm who is representing individuals or groups of women in this situation. I would be very interested in having this info to pass on to her.

I have re-tested negative myself, a great relief!!
Thanks for any help that you can provide on this issue.
