**Subject:** Ethics Discussion

Hi Denise; The date tentative set for the ethics discussion is June 13, 2006, but now Heather Predham tells me the lawyer may not be able to attend, so it will probably be delayed a bit but I am not sure how soon this matter needs to be resolved. Louise advised me that she did not see need for her and Bob to be involved unless the ethics discussion does not adequately resolve the matter.

I'll keep you posted!
