Hi: I was discussing the progress on the ethics re disclosure with Dr. Cook. We need to get this moved along within the next couple of weeks, after that it becomes almost impossible to get the people together. Would an evening meeting be a possibility. I know Dan Boone is hard to get due to his court schedule ... perhaps evening would work. In the eveing on June June 19, 20 or 21 would work for Dr. Cook and I, we will conscript from there ... as a minimum we need lawyer, ethicists and Pathologist.

Thanks,  
 Rick
