MEMORANDUM

TO: All Staff, Physicians and Volunteers

FROM: George Tilley, Chief Executive Officer

RE: Appointment of Director of Laboratory Medicine Program

I am pleased to advise you that Terry Gulliver has been appointed as Program Director - Laboratory Medicine. Terry has over twenty years experience within the Health Care Corporation and has served in management positions over the last fifteen years. Terry has also been extensively involved with the Canadian Society of Medical Laboratory Science and has served at both national and provincial levels of that Association. He is a strong advocate for his profession.

Terry is replacing Mr. Vern Whelan who recently retired following 38 years of service. On your behalf, I wish Terry the very best as he begins his new and challenging leadership position.

*Done
Please set up
I have met with
each of these
This
BN*

The above individuals will commence their new roles immediately. You should expect a transitional period for a number of weeks. Unless otherwise indicated, reporting relationships in these departments will remain the same until the new organizational structures are established. I know these people will receive your full support and cooperation as they begin to familiarize themselves with their new responsibilities.

Congratulations to these individuals! On behalf of Eastern Health we look forward to working with them to build an organization of excellence that will improve the health of our communities. We will continue to keep you posted as the organization continues to evolve and build on its new structure.

Stephen Dodge

MEDICAL SERVICES

Terrence
Dear Mr. Gulliver:

It is with great pleasure that I offer you the position of Director, Laboratory Medicine with Eastern Health. The effective date for this position was September 20, 2005. I commend you for your demonstrated level of excellence and expertise and I am confident you will be a valuable member of the Senior Management Team.

This position has been tentatively placed at HAY Level 29. Your salary will be HL-29, Step 25, which is \$81,897.00 per year. Please note that this HAY Level will be reviewed in the future through the classification process and any changes will be retroactive to your date of hire.

The benefits which you currently hold and which are recognized as portable, will be transferred to this new position. The Paid Leave program currently administered by several of the outgoing organizations will be recognized as the applicable leave program. Other terms and conditions of employment not addressed in the letter will be articulated as human resource policies are developed for the organization.

I am certain that the talents and experience you bring to this position will be invaluable to our new organization. We will embark on new challenges and opportunities as we move forward to improve the health care system for the people of our region and the Province as a whole. I welcome you, and thank you for accepting this challenging and exciting leadership position.

Sincerely,

Stephen Dodge
Stephen Dodge
Vice President, People and Information Services
Eastern Health

I accept the terms of employment as outlined in the letter.
