Dear Debbie:

**Re. Contact with Results to Patients with No Original Test  
Conducted in the Province as Recorded in ER\PR Database**

This is regarding the patient listing (containing names of three patients from the Western Regional Integrated Health Authority (WRIHA)) attached to Memo of April 1<sup>st</sup>, 2008, from Robert Thompson. There were conflicting reports about whether or not they had an original ER\PR result.

I have spoken to Donna Hicks, Regional Director of Quality and Risk Management for WRIHA, and discussed all cases. The response that you will receive from Susan Gillam, CEO WRIHA, will represent the positions of both WRIHA and Eastern Health on these patients.

Sincerely,

Patricia Pilgrim  
Chief Operating Officer  
Cancer Care, Quality and Risk Management
