Hi Pat/Dianne:  
Two questions

1. Has the information on late identifiers (and any other outstanding data required to update the database) been forwarded by Wayne Miller to NLCHI? If it has not, when do you estimate it will be sent along?
2. Can you please confirm if Dan Simmonds disclosed the information on late identifiers to the Commission of Inquiry (as Pat indicated yesterday during our telephone conversation) and, if such was the case, what was the number of patients and the reasons for late identification?

Thanks,  
Debbie

Thanks Deb – I found my copy – There is so much E-mail that I couldn't remember where I filed it – Good thing you are on top of things. I had thought this was completed – we are following-up.

Hi Heather,

A reminder from Reza to forward to him or to me for him all information related to the late identifiers so as to update the database.

Thanks!
