Canada

Dear Dr Ejeckam

Thank you for the application to join UK NEQAS Scheme for Immunocytochemistry.

I have entered your details on our database so that you will be included on future assessments and confirm that your centre has now joined the scheme. Your laboratory code, which you should refer to in all correspondence and which ensures your laboratories anonymity, is [REDACTED]

The 2nd Run for 1st April 2005 – 31st March 2006 will despatch sometime in December 2005.

Lastly if there is any aspect that you would like to discuss further, please do not hesitate to contact me at the above address.

Yours sincerely

Ailin Rhodes
Office Manager
