Hi Gershon,

The fellow you are referring to is Vik Adhopia, and he is indeed a National Reporter from CBC radio. I will be out of the office until June 14, 2007, as I will be attending a CAP meeting in Toronto. Will touch base with you when I get back.

Regards,  
Don

Hi Don,

As you indicated I got a call from one Mr Vik. I declined to talk to him until I am sure he is actually a CBC reporter. Please kindly confirm to me as soon as possible that this guy is actually working for CBC. Attached in his mail are few correspondences between you and him. Thanks Gershon.
