

August 25<sup>th</sup>

Mrs. Polym & Dr. Zulfajani at [redacted] re  
her ER/PR results of 2004 & her  
Sister [redacted] results of 2001.

[redacted] ER/PR results were positive and  
her sister's were negative.

She requested her & her sister  
results both be re-tested. We  
advised her we would arrange  
for this to be done.

Dr. Zulfajani explained the  
background of ER/PR and its relevance  
to her & her sister.

Sept 1<sup>st</sup>

- Spoke to [redacted]

re fact that specimen sent to  
MT some of should get/hope to get  
results in ~~one~~ a few weeks time.

She was satisfied with progress and  
contact.

Sept 27/2005

- Advised [redacted]

re her test results

of the assays Dr. Zulfajani had read

- no change in results

Sept 30/2005
