

*Commission of Inquiry on
Hormone Receptor Testing*

NOTICE TO PUBLIC

The Commission of Inquiry on Hormone Receptor Testing will commence public hearings on Tuesday, March 18th, 2008.

The Commission has a specific mandate to inquire into and report on problems with estrogen and progesterone hormone receptor tests conducted between 1997 and 2005 in the Newfoundland and Labrador health care system.

The hearings will start each day at 9:30am and will be held at:
50 Tiffany Lane
St. John's, NL

The hearings are open to the public and will also be webcast via the Commission website at www.cihrt.nl.ca. If you do not have internet access and wish to view the webcast of the Inquiry, you may access computers located at a public library. Please contact the library nearest you for hours of operation and booking information.
